Sir,

Sub: Education - Fisheries School, Hadavinakone building - extension - proposals - submitted- sanction - Request of.

Ref: G.O.Ms.No.6378 Development, dated 27-12-48.

In the G.O. cited, sanction has been accorded to the payment of a monthly rent of Rs.14-8-0 for the two buildings in which the Hadavinakone Fisheries School is housed. The Deputy Director of Fisheries (South) reports that the present strength of the school is 132 and that the average attendance is 122. Since the strength that is expected in the next school year is 140 and that of the subsequent years will be over 140, the Deputy Director of Fisheries (South) says that it is desirable to extend the present building for 50 more school places instead of extending the building bit by bit. The school is also devoid of separate urinals for boys and girls.

The Secretary, Mujalis-Islaha Subab, Hadavinakone, the present owner of the building has agreed in writing to put up the extension of building with 50 school places and also a pucca urinal with separate compartments for boys and girls on the assurance of being paid the rent as fixed by the Public Works Department. The Deputy Director of Fisheries (South) reports that the probable rent that has to be paid will be Rs.20/- per mensem for the improvements only.

I agree with the Deputy Director of Fisheries (South) and request that in the circumstances stated above, Government may be pleased to permit the owner of the building to put up an extension providing for 50 school places and a pucca urinal with separate compartments for boys and girls on the assurance of being paid the rent as assessed by the Public Works Department.
